Positioning Statement Template

Use one of the below templates as a starting point to write your own brand positioning statement.

When you want to	compare	yourself to a	competitor:
------------------	---------	---------------	-------------

For	target customer/audience	that need	audience need your	product addre	esses name of your prod	duct/service is		
a	efine product category	that	how does your product solve your customer's need in a sentence?					
Unli	ke competitor	, 01	ur product	how is your p	roduct different from the co	mpetition? •		
When you want to focus on your customers:								
For	target customer/audience	name of y	our product/service	_ is the _	define product category	_ that will		
pr	oblem your product solves	for your customer	so they c	benefi	t your product brings to you	ır customer
