BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

[AAG/A Order No. 162-99]

Privacy Act of 1974; Notice of Modified System of Records

The Department of Justice proposes to modify the Public Safety Officers Benefits System, JUSTICE/OJP-012. The primary purpose for establishing the system of records was to determine whether the surviving beneficiaries of public safety officers killed in the line of duty were eligible for benefits as authorized by the Public Safety Benefits Act.

The Department now proposes to modify the system to reflect the expanded scope of the PSOB program, specifically through the addition to categories of individuals and records. The system is expanded to reflect the addition of data on public safety officers permanently and totally disabled in the line of duty, and the dependents of public safety officers eligible for educational benefits. The expansion of the categories of individuals and records, as identified in the attached **Federal Register** notice, permits the agency to maintain records as public safety officers permanently and totally disabled in the line of duty and survivor's eligibility to educational benefits in order to ascertain eligibility under the program.

In addition, the Department is revising the "System Location" and "System Manager and Address" sections to reflect a move of the system, and updating the "Storage" and "Retention" sections to reflect an automation of the system.

Title 5 U.S.C. 552a(e)(4) and (11) provide that the public be given 30 days in which to comment on the proposed new routine uses. Any comments must be submitted in writing to Mary Cahill, Management Analyst, Management and

Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 by June 9, 1999.

As required by 5 U.S.C. 552a(r) and Office of Management and Budget (OMB) implementing regulations, the Department of Justice has provided a report on the proposed changes to OMB and the Congress.

A modified system description is set forth below.
