BILLING CODE 4410-CJ-M

DEPARTMENT OF JUSTICE

EAAG/A Order No. 163-99]

Privacy Act of 1974; Notice of Modified System of Records

Section 5301 of the Anti-Drug Abuse Act of 1988 (Pub. L. 100-690, codified at 21 U.S.C. 862), and section 815 of the 1993 National Defense Authorization Act (Pub. L. 102-484 codified at 10 U.S.C. 2408), provide that certain individuals convicted of drug trafficking or possession are disqualified from receiving certain Federal benefits, and individuals convicted of certain defense-contract related felonies may not be employed by or engage in certain activities with defense contractors or first tier subcontractors. The Attorney General has directed the Denial of Federal Benefits Clearinghouse of the Department of Justice to perform certain duties in order that the purpose of this act be fulfilled. These duties include maintaining an information clearinghouse for persons so disqualified and forwarding to the General Services Administration (GSA) data concerning court denials of Federal benefits for inclusion in GSA's Lists of Parties excluded for Federal

Procurement and Nonprocurement Programs, more commonly referred to as the "Debarment List" and for employment eligibility purposes.

The Department now proposes to modify the system to clarify an existing Privacy Act routine use disclosure regarding the disclosure for disqualification for certain Federal benefits, defense-related employment, and other activities and to reinstate a Privacy Act routine use regarding disclosure to courts for verification purposes. The routine use disclosure, as modified, allows for disclosure to Federal agencies, certain private entities, certain defense-related contractors and first-tier subcontractors, and makes it clear that such parties will only have access to Clearinghouse information in order to verify eligibility for Federal benefits, employment or other certain activities, pursuant to the mandate in the Anti-Drug Abuse Act and the Defense Authorization Act. The routine use will permit disclosure of information to these parties only for the aforementioned purposes. In addition, a routine use disclosure to courts is being reinstated to allow for disclosure of clearinghouse information for verification purposes.

Moreover, the Department is expanding the record source category to include: (1) The individuals convicted of qualifying offenses and, (2) U.S. Attorneys.

A number of smaller, less substantive changes are also being made. The system location section is being revised to reflect the current location of the system at 810 Seventh Street, NW., Washington, DC 20531. The authority section is being revised to refer to the current statutory citations, 21 U.S.C. 862 and 10 U.S.C. 2408(c). The system is also being revised to reflect the fact that information is now being maintained in a database in a secured computer network and the information is now retrievable by case number, as well as name of individual and Social Security number. The reference to computer diskettes under Safeguards has been removed, as information is no longer being maintained in that format. Finally, the category of records section is being revised to include additional clarifying information and to read more clearly.

Title 5 U.S.C. 552a(e)(4) and (11) provide that the public be given 30 days in which to comment on the proposed new routine uses. Any comments must be submitted in writing to Mary Cahill, Management Analyst, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 June 1, 1999.

As required by 5 U.S.C. 552a(r) and Office of Management and Budget (OMB) implementing regulations, the Department of Justice has provided a report on the proposed changes to OMB and the Congress.

A modified system description is set forth below.
